

Soft Serve Rage **Matt Rhoden Melissa Alesi**

Swirling Mr Softee

For a kid who wants to boss me

Momma on her cell phone

Wants a gluten free cone sundae

Her baby dropped his ice cream (Waaah waah waah)

Now she wants a discount (Right now)

Orders coming at me

Getting paid for acting happy

Let me out

Here comes one more

Bustin' through the front door

I don't want no soft serve rage

Been milkshakin' for a minute now

Serving up fun

Smile on my face

I don't want no soft serve rage

Counting down the hours til I break away

From chillin your tongue

Have a nice day

The ripped dude in the tank top
You know he likes to hear the beat drop
Wants his extra sprinkles
Asks me if I'm single. (I said no)

CHORUS

*Gotta work a lot of hours
Cause my bills are really needy
Double dip no tip (-ing)
(Triple dippin no tip)
And my boss is really greedy*

*I got orders coming at me
Gettin paid for acting happy
And a line of crazy mommas
Lookin like they wanna slap me*

*Scoopin daily micro trauma
Curl it up like Mrs. Fonda
I can't listen to another day
of dumb customer drama*

*Yesterday, I got a beating
From a junior prima donna
Rollin up in his pajamas*

And he hopped on a table saying

Stop!

I want butterscotch sauce

My momma said she wanna talk to the boss.

So don't mess me.

Or aggress me

Give me all your toppings

Or you're you'll have to arrest me

CHORUS
