

FEEL MY HEART BEAT  
(Knable/Alesi/Allen)  
Key: Am Tempo: 90 Gender:

Last night drinking at the bar i guess you could tell  
I was so into you like nothing i ever felt  
Then they played your song , and you did what you do

You took my hand and led me to the hardwood floor  
By the time the song was done, you had me wanting more  
Tight against my body, you know how to move

**Feel my heartbeat**  
**Feel my heartbeat**  
**My love can't sleep**  
**Feel my heartbeat X3**

Feelin' the sunrise like a ghost you were gone  
I tried to text you, but the number was wrong  
Putting on the layers you helped take off

**Feel my heartbeat**  
**Feel my heartbeat**  
**My love can't sleep**  
**Feel my heartbeat**  
**Feel my heartbeat x3**

Fire in the sheets, hot in the bed  
Now my heart's hangn' by a thread  
Layin' achin, echoes in my head ...  
Made me believe everything you said

**Feel my heartbeat**  
**Feel my heartbeat**  
**My love can't sleep**  
**Feel my heartbeat (what have you done to me)**  
**Feel my heartbeat x3**
